Dear Sir:

On behalf of Stan Williams, Friends Bookstore Manager, and the Friends of the Temecula Library Board of Directors, I want to thank you and the Temecula Valley Young Marines for your recent donation of approximately 2,500 "gently used" books.

The Friends' organization is the sole support group for the Temecula Library and all book donations enable us to provide funds for the library. When a book donation is received, a member of the library staff selects books that are needed for the library collection. The remaining books are sold in the Friends Bookstore and the proceeds are used to support the library.

Again, thank you for your support. The Temecula Valley Young Marines have demonstrated their love of libraries by choosing this project which will benefit our community. We wish the Temecula Valley Young Marines much success in all future endeavors.

Enclosed, for your information, is the Friends' newsletter, *The Torch*. Please see page 2 for an article about the Temecula Valley Young Marines.

Sincerely,

Grace Mellman  
President
