Temecula Valley Young Marines

Young Marines,

On behalf of the Commander, Cadre, Cadets, and family members of the Hangtown Marine Cadet Program, we would like to extend our sincere gratitude for the donation of equipment and support material provided by the Temecula Valley Young Marines. This donation will allow the Hangtown Marine Cadets to increase the frequency and duration of encampments and other outdoor unit activities. Your donation will ensure that a program similar to the Young Marines will continue fostering positive characteristics in youths in our community.

Your Espirt De Corps, generosity, and cooperation reflects great credit upon the Cadre, Staff, and Young Marines of Temecula Valley for their support of not only the local community in which they live but also reaching out across the state to the Hangtown Marine Cadets.

Semper Fi,

The Hangtown Marine Cadets and Staff
