

Temecula Valley Young Marines
P.O. Box 892466
Temecula, CA 92589

Dear Stephanie and Michael:

Hope. Progress. Answers. As a supporter of the American Cancer Society, the Temecula Valley Young Marines give meaning to this message. The essence of the American Cancer Society is sponsors like you, who provide their support to offer comfort and hope to countless Californians touched by cancer. On behalf of the American Cancer Society, I would like to thank you for supporting the Relay For Life of Murrieta 2006.

Over 700 people took to the track in honor of those whose lives have been touched by cancer and to raise much needed funds. We had the privilege of celebrating the lives of nearly 100 cancer survivors in attendance at our events; and remembered so many loved ones lost to this dreadful disease during our Luminaria Ceremony.

As you know, Relay For Life is the signature fundraising event of the American Cancer Society. We were successful in raising over \$75,000 thanks to our great teams, volunteers and supporters. These funds will go towards supporting life-saving cancer research as well as local programs and services.

You have my heartfelt appreciation for your generosity and support. With your help we are making a difference in the fight against cancer!

Warm regards,

A handwritten signature in black ink that reads "Leslie Roman".
