*Presented on behalf of the City Council of the
City of Temecula in honor of:*

The Temecula Valley Young Marines

This honor recognizes outstanding people whose contributions set a shining example for all fellow citizens. Your noteworthy accomplishments and reputation for excellence have earned you the respect of the community. With great willingness, you have given your time and resources to those in need, and your commitment has touched the lives of many.

Since June, 2003, the Temecula Valley Young Marines have shown their appreciation and steadfast devotion to their Country, their Veterans, and their Community. The Temecula Valley Young Marines have been active in their community by raising funds and participating in the American Cancer Societies local Relay for Life, by helping to supply computers for a local foster home, and by donating over 2,500 books to the Friends of the new Temecula Public Library, to name a few. They have given support and aid to victims of Hurricane Katrina during their Operation Guardian Angel in 2005 and they have attended many events and services to honor our Veterans.

This well-deserved honor is a tribute to your generosity of spirit, and we thank you for inspiring others to serve a cause greater than yourselves. We are pleased to offer you heartfelt congratulations as you are honored by the City of Temecula for your many contributions to this Country, to our Veterans, and to our Community.

We wish you every future happiness and success.

IN WITNESS WHEREOF, I have hereunto
affixed my hand and official seal this 9th day of
January, 2007.

Chuck Washington, Mayor
