

## Unit Affiliation

Know ye all that on this day March 10<sup>th</sup>, 2005 in the year of our lord, the Command and staff of the Temecula Valley Young Marines welcome the presence of the affiliation of the Volunteer Cadet Corps from Southern Australia. It is with the greatest honor that our two units shall join together in this affiliation. We will support our sister unit as they will support us in the training and mentoring of the youth's of our two nations. Although we are separated by thousands of miles we will stand by our sister unit if they shall ever need our assistance.

A handwritten signature in black ink, appearing to read "Michael J. Duff".
